

## CARRANZA HAS BACKING OF GERMANS

Teutons Want The United States to Engage in Warfare

### STOPS SHIPMENTS OF MUNITIONS

Washington, June 22.—Advices received here from Mexico allege German representatives there have encouraged Gen. Carranza in opposing the stay of American troops in that country. The form of encouragement is said to be more moral than material.

This information was disclosed by competent authority, Capt. Franz von Rintelen, under indictment in New York on the charge of conspiracy to foment strikes, who is now a prisoner in England.

The information obtained leads the officials to believe von Rintelen thought the result of the dispute between Mexico and the United States would be to stop shipments of munitions to the allies and prevent the allied navies from getting oil at Tampico, and also to prevent the United States from pursuing the submarine controversy. He named several other Germans who are mentioned in connection with the affair.

### PARKER--WYATT

In the presence of a few friends and relatives, Miss Mary Ware Parker and Mr. Omer Jackson Wyatt, both of this city, were quietly married at the residence of Mr. and Mrs. Harry Simons in Madisonville, Ky., on Thursday evening at eight thirty. Miss Ethel Oldham, of this city, acted as bridesmaid and Mr. Hardy Wyatt, brother of the groom, as best man. They drove to Madisonville in Mr. Wyatt's car and were married by Reverend Jones, Christian minister of that city. Their many friends wish them success and happiness all through life's journey. Miss Parker is a well known young lady of the city, and her friends are numbered by her acquaintances, while Mr. Wyatt is in the employ of the L. & N. Railroad at this place and stands high in the esteem of the company's officials.

### ASTOR--DICK

Bar Harbor, Me., June 22.—Mrs. John Jacob Astor and William E. Dick, of New York, were married at St. Saviors Episcopal Church here today by the Rev. A. C. Larned Rector. Only the members of the two families and a few intimate friends were present. Mr. and Mrs. Dick left immediately on a western trip. They will return after a month and will spend the remainder of the summer at Mrs. Dicks place here.

Randolph and Mr. Randolph gave a dinner party at which were present Mrs. Kemp, and Misses Margaret and Elizabeth Kemp and Mr. Paul M. Moore. Lovely roses and sweet peas, birthday remembrances for Mrs. Moore made the dinner table very attractive. Other gifts and the presence of her children and grandchildren made this one of the happiest of Mrs. Moore's birthdays. Mrs. Moore is still young despite the many birthdays that have passed and is a striking example of that beautiful poem "Growing Old Gracefully."

The wedding of Miss Camille Lackey and Mr. Ralph Emerson Dudley took place Wednesday afternoon at 5 o'clock in the Methodist Episcopal church south of Pembroke, with Rev. Elgin as assisted by Rev. Gordon, officiating.

Mrs. Lander Chisholm was her sisters matron of honor and Misses Lackey and Kennedy were bridesmaids. Mr. Brick Southworth was Mr. Dudley's best man and Messrs Lander Chisholm, Geo. Lackey, Darwood Rose and Ed Morrison were ushers.

Preceding the ceremony Miss Ruth Williams, accompanied by Miss Lackey, sang several effective numbers.

The bride was beautifully crowned in a handsome taffeta suit with a hat to match. Her flowers were roses and lilies of the valley. Mr. and Mrs. Dudley left immediately after the ceremony for Chattanooga and other points. Upon their return they will be at home at the Dudley home here.

Mrs. H. H. Holeman gave an elaborate reception Wednesday afternoon at her beautiful home in Madisonville in honor of her attractive daughter-in-law, Mrs. F. Montgomery Holeman, a June bride. Upon arriving at the beautifully decorated home, Misses Laura Isabel Laffoon and Nell Dulin standing on the cozily arranged porch greeted the guests and served them with delicious fruit punch. At the door a picturesque "black mammy," nurse of the son of the house, with old time courtesy ushered the visitor into the handsomely decorated hall where Mrs. Brent Hart showed them into the library. The decorations here were red and green. Here Mrs. Holeman, in a handsome embroidered organdy gown, introduced her daughter who stood next in line, wearing a chic pink taffeta and lace gown with an abundance of tulle about the neck and shoulders. With the Mrs. Holemans stood Mrs. Ed Nisbet, of Evansville, Miss Mary Gholson, of Princeton, Mrs. Dempsey and Mrs. Parker. The dining room was a bower of pink and green loveliness. The table was handsomely arrayed with pink tapers, sweet peas and festoons of vines and tulle ribbons extending from the chandelier. Mrs. Will Morton and Osborn assisted in serving. The ices, cakes and mints carried out the color scheme of pink and white. Those who attended from Earlington were Mrs. Rogers who assisted Mrs. Holeman in entertaining, and Mesdames Hart, Atkinson, F. D. Rash, Kline, Alford, Mahon and Miss Katherine Vintory.

## Dance at Park For Miss Woodson

One of the most charming social events of the season was a dance at Loch Mary, Wednesday evening in honor of Miss Melba Woodson, of Humboldt, Tenn. The evening was perfect and the beautifully situated pavilion overlooking the lake makes a most artistic setting and a very desirable place for such amusement.

Music was furnished by the colored string band of the city. After dancing had been enjoyed for some time at the close of the evening a delicious luncheon was served consisting of all the delectable good things. Mr. and Mrs. Elgie Sisk chaperoned the merry party.

## CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work

There is no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tone because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury, and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

**Origin of Pajamas.**  
Pajamas are garments which Europeans adopted from the Mohammedans of India. The name means simply leg garments, and earlier generations in India knew them as "long drawers" and "mogul breeches." It is only of recent years that they have sprung into almost universal use in England in place of nightshirts—which some one characterized as equivalent to adopting trousers in place of frock coats—but references to the garments have been traced as early as 1828. "Peejams," "pigammahs" and "plajammah" were some of former variants in use, and Thackeray wrote of them as "pejammahs." The standard spelling is only a recent agreement.

## THE NEWEST REMEDY FOR Backache, Rheumatism and Dropsy.

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try "Anuric." Send 10c. for trial package. During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anuric," the new discovery of Dr. Pierce for Kidney trouble and Backache. Neglected kidney trouble is responsible for many deaths, and Insurance Company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys and urinary organs, can often be determined by a careful chemical analysis and microscopic examination—this is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of Assisting Physicians will inform you truthfully.

## FEEDS THOUSANDS HEARS ONE TALE

Proprietor of Toledo's Biggest Restaurant Repeats  
Tale of Hundreds  
of Men

"About two months ago it started," began Clarence M. Babcock, proprietor of the big Cherry restaurant at 312 Cherry street, Toledo, O., where more than 1,000 Toledoans are served daily.

"One customer after another would come in, give his order, and tell how good he felt.

"It seemed that from day to day I heard hundreds of men telling how well they felt—and proving it by their meals—and ascribing it to one thing—Tanlac. You see, there are more than one thousand customers every day at the Cherry. Most of them are pretty busy, but they have time enough to pass a good thing along. So they told me about Tanlac, and kept telling me every day.

"Indoor work and long hours had begun to tell on me pretty hard. I had to drag myself through the days work. Kidney trouble was causing me fearful pains, I had no appetite and couldn't sleep, and the constant

grind had affected my stomach, too. For four months I had been a fine example of the man who is "all run down."

"I had grown nervous and had lost twenty pounds in less than two months. I didn't feel as if I had energy enough to work a day thru. I was irritable and far from being myself.

"There can be but one answer to this Tanlac story that's continued every day," I decided. If hundreds of level-headed men come in here and praise Tanlac and say it has restored their appetites, toned them up, made them sleep and generally benefited them, it must be true. So I bought Tanlac.

"Now I am feeling just one hundred percent better. I have a good appetite. My work looks good to me and I have the energy to take care of it. Customer after customer says to me, 'Clarence, what have you been doing to yourself that you have changed so?' And I like to hear it, and then I tell them I have been taking Tanlac. Get some, it's great."

Tanlac may be obtained in the following nearby towns: Earlinton, Geo. King & Sons; Madisonville, Gardiner & Bowmer; Mortons Gap, B. T. Robinson; Nortonville, City Drug Store; White Plains, Dr. Bailey; Mannington, Walter McIntosh; St. Charles, George King & Sons; Carbondale, G. A. Woodruff; Daw-

## The Factory Behind the Food

More than forty different kinds of corn flakes were prepared experimentally before New Post Toasties were finally developed to perfection. As a distinguishing feature, note the tiny bubbles on each flake—raised by the quick, intense heat of a new, patented process of manufacture.

New Post Toasties are the first corn flakes with a self developed flavour—the full, true flavour of choice white Indian Corn—unlike common "corn flakes" that depend largely on cream and sugar for their palatability.

Try a handful dry—this simple test will demonstrate the delicious new flavour. But the flakes are usually served with cream or rich milk.

New Post Toasties do not "chaff" or crumble in the package, and they "stand up" when cream or milk is added. They're untouched by human hands and put up in moisture proof packages to preserve their oven freshness until served.

### Turn That Frown Into a Smile

Ever notice how one's face wears a constant frown when they are out of sorts? If full of bile, with bad skin and eyes, a coated tongue and bad breath, we begin to look like we feel, and, can't help but wear a frown.

The trouble is that our liver is clogged—it doesn't strain the refuse—the body debris—the bile, from the blood—and the bile is carried back to become a part of the tissue. It shows first probably on the tongue with a bad taste, then you feel tired, a bit fearful, fretful and cross. You can't concentrate on your work; you just half way do things.

Sure, you take some medicine—the taste-good kind. You take another and yet another kind—but you don't want any old-fashioned liver starters. Not for you; you're afraid of gripe and nausea—and all that sort of thing—so you stick to the mollycoddle medicines.

#### Start the Bile

To dispel the poison you've got to clean the liver and start the bile. Yes, you do know it—but, oh, how you dread it. You fear the gripe of the old calomel and the sickening that follows.

Calm yourself—you don't need to undergo such punishment. Carstedt's Liver Powder is an old, old combination that does taste a bit bad to sick people—it don't if you are well—but the smile that follows next day will repay and you won't be troubled with the nausea of other liver starters.

Carstedt's Liver Powder—that's the name. It's in bottles that sell for 25c, or a big family bottle for \$1.00. Go get a 25c. bottle if you are in doubt—take one spoonful tonight—and see that frown turn to a smile.
